

NORTH LAKE COUNTY LIBRARY FOUNDATION QUARTER 3 2024

Since February, our library has transformed into a modern, welcoming space that fosters a love for reading and learning. The Polson Library is a vital hub for the community, providing a space for education, connection, and enrichment.

We are pleased to welcome five new members to our Foundation Board. Each of these individuals brings a wealth of experience, passion, and a shared commitment to our mission. We are confident that their contributions will help us continue to grow and enrich our community through our library's services and programs.

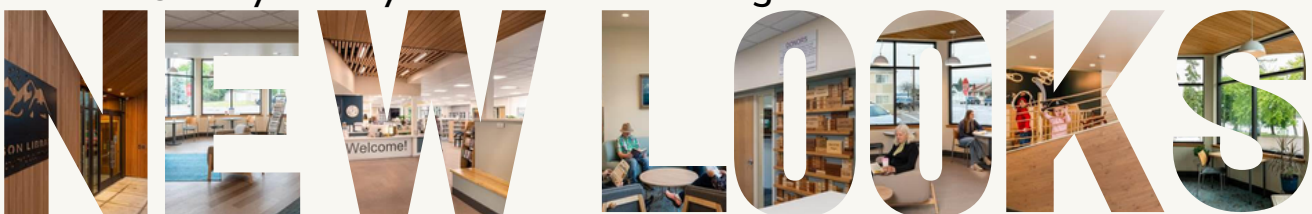

We still need dedicated advocates and fundraisers to help us continue expanding our services and programs. Your involvement is crucial to sustaining the library as a vibrant and essential resource for all.

Join us in celebrating these wonderful developments and stay tuned for upcoming events, programs, and more exciting news. Thank you for your continued support and for being an integral part of our library family.

See you at the library,

WE REACHED OUR GOAL OF \$2M...

"The new library renovation is incredible! It's become such a welcoming space- I want to spend even more time here, just soaking up all the positive energy and resources."

~Library Patron

BUT YOUR GENEROUS GIFTS ARE STILL NEEDED

The North Lake County Library Foundation expresses profound gratitude for the generous contributions received from local businesses, civic organizations, individuals, and foundations, including the Greater Polson Community Foundation, towards the renovation project, with totals reaching almost \$2.1 million to date.

The North Lake County Library has sought an InterCap Loan totaling \$300,000 to settle the final furnishings bills and address unforeseen construction expenses. Your contribution would help meet this additional expense and wrap up the Next Chapter Campaign.

For your convenience, you can use the documents I've attached to donate, or you can explore the Foundation's website for various ways to contribute to this noble initiative at www.polsonlibraryfoundation.org.

We appreciate the team that helped us get here. Thank you to our retiring board members, Cindy Willis, Nancy Armistead, and Jim Noon, for your many years of service and dedication to the library.

Thank you for your past and continued support of the North Lake County Library Foundation,

Connie Brownell

North Lake County Library Foundation Outgoing President
